

Data Science, Statistics & Visualisation (DSSV 2018)

CALL FOR PAPERS

Conference dates: July 9-11, 2018

Location: TU Wien, Vienna, Austria

Conference web site: <http://iasc-isi.org/dssv2018/>

First deadlines are approaching:

- Early bird registration: March 26
- Abstract submission: April 9

We are looking forward to your contributions to practical aspects of data science, statistics and visualisation, and in particular those which are linking and integrating these subject areas.

Keynote speakers:

Helwig Hauser, University of Bergen, Norway
Xuming He, University of Michigan, USA

Invited speakers:

Zeynep Akata, University of Amsterdam, The Netherlands
Mia Hubert, KU Leuven, Belgium
Eric Postma, Tilburg University, The Netherlands
Ryan Tibshirani, Carnegie Mellon University, USA
Sara van de Geer, ETH Zurich, Switzerland

The TU Wien is situated in the very heart of Vienna, in the pulsating cultural centre of town. Within easy walking distance are the Opera House, the art nouveau Secession building, the Musikverein, home of the Vienna Philharmonic, from which the New Year's Concert is annually broadcast around the globe, and the splendid baroque Karlskirche (Church of St. Charles).
